Basic Ideas at Kaakkuri School

The aim of Kaakkuri School is to educate children to trust in their future, to be responsible for their own actions, to respect nature and environment, to understand differences between people, to be active citizens, to take care of their own welfare and to have good learning skills for life-long learning.

The principles of action

- the atmosphere at school is safe and comfortable
- pupils' individual needs are taken into consideration
- everyone at school aims at reaching the common goals
- co-operation between school, home and actors in the surrounding society is strongly encouraged

Our values, goals and how we act

VALUES	COURAGE	FAIRNESS	RESBONSIBILITY
Goals	Safe and positive atmosphere	Good friendship	Respecting shared rules
How to achieve the goals (=skills to be learned)	ACCEPTING MYSELF AND OTHERS	HELPING	BEING HONEST
	TALKING POSITIVELY	ENCOURAGING	BEING TRUSTWORTHY
	HAVING GUTS TO DO GOOD THINGS	TAKING EVERYONE INTO CONSIDERATION	TAKING CARE OF ENVIRONMENT
